

DEAR PET LOVERS,

Call us today at (732) 972-3201 to schedule your precious pet's health care exam and try us out for only \$1.00. That's right, you read that correctly. Just one buck and you'll get to find out why we say:

A wag of the tail, a purr, a lick – means we know what makes them tick....

Animal Health Care of Marlboro offers a state-of-the-art medical facility with a warm, welcoming environment to provide your pet (and you) with the very best compassion, and veterinary care.

We help all breeds and needs of dogs and cats to feel better and stay their healthiest. Pets love the attention they get from our loving care team. And pet owners, like yourself, rave about the customized and detailed health care plans we provide to help guide in caring for their furry family members at home.

So put your pet's paws in our hands....

Here's the deal... Bring your pet, your questions, and a dollar. Because once you meet us, we don't think you'll have a reason to leave us!

What do you have to lose? It's only \$1.

So don't delay...call (732) 972-3201 today to speak with one of our Customer Care Representatives to reserve your pet's appointment: first come first served and one pet (dog or cat) per family as a new client to our veterinary family.
